EDUCATION & CAREER:

I am a trial lawyer by trade and practice in my own firm of 8 lawyers. Given the trade I work in, I've had a lot of experience on Boards. In 2018, I completed my third 3-year term as a member of the Board of Governors of the State Bar of Arizona and retired. That Board governs the professional activities of the 16,000+ lawyers who work in Arizona. Before that, I was on the Board of Arizona Attorneys for Criminal Justice, representing about 600 lawyers and was President of AACJ during 1999-2000. I am an Army veteran, having served as a Captain in the Judge Advocate General's Corps from 1971 – 1975. After discharge, I served as a Federal prosecutor for 5 years before going into private practice.

QUALIFICATIONS & GOALS:

I've served 10 years on the Board; laying off the required year. Having thoroughly enjoyed my service, I would like to serve another hitch, if you will have me. I like to be useful to others and play well in the sand-box. I am a fiscal conservative when it comes to spending other people's money. I am a strong believer in compromise and consensus building. This Club, more than any club that I have observed, is accommodating to each of its numerous core constituencies. At Alta Mesa, everyone's interests are balanced and honored and there exists a singular lack of pretension. We are denominated as a "country club" and we host weddings and other fine events, but we are a "golf club" far more than we are a "country club." I like that and believe that the overwhelming majority of our members like it as well. Along with the others you elect, assuming you elect me at all, I promise to keep our traditions of cordiality, compromise and consensus.
