EDUCATION:

B.S. Degree in Communications from ASU

CAREER:

A Partner in an Executive Recruiting Firm for 20 years.

QUALIFICATIONS:

Having been born and raised in Mesa, Arizona, I grew up playing junior golf in the valley and competing at a high level. I feel very knowledgeable in all facets of golf and believe my years of experience can encourage participation of our young members as well as those in their later stages of life to enjoy and experience the comradery that being a member of a great golf course provides.

GOALS:

I'm running for the Board because after years of enjoying this great game, I feel like I can make a positive impact on our club and would like to be a part of continuing to make Alta Mesa Golf Club a destination club where all types of members with all skill levels are welcomed and can grow in their love for the game.
